## PROPOSED US LISTING OF ANTILLES GOLD SHARES

---

Antilles Gold Limited (**'Antilles Gold'** or **'the Company'**) (ASX Code: AAU) advises that it has applied for trading of its shares on the Over the Counter ('OTC') Market in the United States.

The OTC Markets Group is one of the largest and best-known trading networks in the US and the Company has been advised that formalities for its listing on the OTCQB platform should be finalised next month.

The Company believes there will be strong interest in North America in the emerging mining sector in Cuba.

The OTC listing will provide exposure for the Company's progress on its projects in Cuba and potentially improve liquidity for the trading of its shares.

This announcement has been authorised by the Board of Antilles Gold Limited.
